# The Challenge

- Physical Space
  - Geography
  - Student Employment & Lifestyle Conflicts
    - Time
    - Place
  - Niche Programs
-

---

# The Pieces to the Solution

- Existing Technologies
  - Existing Degree Programs
  - Existing State Approval of Programs
-

---

# New Paradigm

- Use Distance Learning Technologies and Statewide Coordination to:
  - Share Resources
  - Agree on Statewide Career & Learning Pathways
  - Create Formalized Statewide Articulations

*.....Here's an example:*

---

---

# Statewide Retail Management Program

- Retail Management Salaries
  - 14 of 17 Community Colleges have signed on
  - Program transfers in full to four year schools
  - Resources are leveraged
    - Host Provider for those niche classes
    - Local college for general education requirements
-

---

# The Remaining Challenge

- Dial-up vs Broadband
